

LEE SILBER "THE GOAL GUY" PRESENTS

GOALOLOGY

A New and Improved Way to Plan
Your Life and Career

1

A Simple, Quick, and Easy Approach to Goals. Big picture plans combined with pocket goals, mini milestones, points and rewards, tag lines, and visuals.

THE BASICS

Lee Silber first invented his unique goal setting system in 1985 while living in Hawaii and has improved it every year since. It's included with speech.

2

The Flexible, Visual, and Incremental Way to Plan. New and exciting ways to use technology in the goal setting process.

THE NEW WAY

3

A Whole-Brain Approach to Goals. Finding the best approach to planning based on your thinking style. Mix and match goal-setting techniques to create a customized approach.

A CUSTOMIZED APPROACH

4

The Advanced System For Real Goal Getters. A more structured approach to goals that (surprise) actually creates more freedom. It's a business plan for your life.

ADVANCED GOAL SETTING

Lee Silber is an authority on goal setting and has included his unique and effective approach in his 25 books and over 2,500 speeches to more than a million attendees.
